First Play Try-Outs Next Week

One of the top activities at Central, the first dramatic production of the year, will swing into action the evening of October 10 and 11 at 6:30 p.m. when try-outs for John Patrick's play, "The Hasty Heart", will be held in the College Auditorium, Norman Howell, head of the Drama Department, announced.

Copies of the play have been placed on reserve in the library for those students who will be turning out for this all-college production.

Howell said, "With the combination of the talent and experience of the old students with the expressed interest of those who have enrolled this fall, I believe we'll do an excellent production of 'Hasty Heart'."

The play will be presented on the evenings of November 28 and 29.

Chuck Berrisford will again do the sets and Mrs. Bergeron of the Home Economics Department, will supervise the costuming. The stage crew of Les Younie and Bob Marsh have already started the floor plans preliminary to the drafting and construction of the sets.

Contest Opened For Naming Of Snack Bar

Mrs. Olive Schnebly, manager of the Union building, is looking for a new name for the Snack Bar in the Union building. She announced that a contest will be held and the governing committee will judge all entries that are turned in during the dates October 5 through October 12. Entries are to be turned in at the office in the Union building.

Mrs. Schnebly also announced that a prize of one cup of coffee per day for seven days would be offered for the winning entry.

Houseparents Are New Addition To Central Campus

There is a most important person on campus who is sometimes overlooked in the hustle and bustle of getting settled in college—a person who serves as mother, friend, and counsellor to the hundreds of students at Central—the housemother.

Mrs. Velma Prater, who has the longest service in the women's dorms, will be starting her sixth year as head housemother of Kamola Hall.

Due to a change of policy calling for a married couple in Munson Hall, Mrs. Alice Prater has left Munson after six years and has transferred to Kamola Hall as housemother.

Elwood House was closed this year and Mrs. Earle Deighton, who had been there for three years, is now housemother at Kennedy Hall.

In one of the men's dorms is Mr. and Mrs. Robert Kuss, houseparents at Munson Hall. Both are graduates of the University of Washington and are now working on their Master's degrees. Mr. Kuss is an expert skier and mountain climber and is much interested in the winter sports program on campus.

Back again in the Walnut Street dorms, Mrs. Emory will be housemother of the new men's dorm, North Hall, when it is opened. At the present time, Mrs. Miller is assisting Mrs. Emory in Alford and Montgomery Halls.

Mrs. Church is also back in Munro Hall and Mrs. Palmer at Carmody rounds out the list of housemothers for the year 1951-52.

Freshmen Brave Lines To Register

Lining up outside the library is an activity that belongs only to registration week. Here some freshmen complete "orientation" and wait for that final signature on their class schedule.

Classes Set For Evening Sessions

Evening classes in several college courses will be offered for all qualified persons during the ensuing college year. These are regular college courses and are open to anyone who is eligible for college work and has completed the prerequisite, if it is required, in certain courses.

For fall quarter a course in Scouting will be taught by Joe Scanlon, Area Scout executive. It will meet on Tuesday evenings from 7 to 9 and carries two credit hours.

English 119, Children's Literature, will be taught from 7 to 9, Thursday evenings by Mary Simpson, associate professor of education, and will also carry two credits.

Speech 1, Fundamentals of Speech, two credits, will be offered on Monday, Wednesday, and Friday evenings from 7 to 8 by William King, instructor in speech and drama.

Science 133, Science Education in the Elementary School, two credits, will meet from 7 p.m. to 9 p.m. It will be taught by Lillian Bloomer, assistant professor of education.

Winter quarter offerings will include Home Economics 122, Home Economics Activities in the Elementary School, one credit, at 7 p.m., on Tuesdays by Helen Michaelson, associate professor of home economics.

English 70, Introduction to Modern Literature, three credits, on Monday, Wednesday, and Friday from 7 p.m. to 8 p.m. by Herbert Anshutz, assistant professor of English. It will constitute three credit hours.

Social Science 117, Methods and Materials in the Social Sciences—Elementary, two credits, will be offered from 7 to 9 Tuesday evenings Lillian Bloomer.

(cont. on page 4)

Competition For Yell Leaders Set By Pres. Oebser

Yell leader tryouts will be held Thursday, October 11 at 11 a.m. according to Len Oebser, SGA president.

Names of persons turning out should be turned in to Tom Bostik, box 77, no later than Monday, October 8.

Tryouts will be held in the College Auditorium.

Registrar Perry Mitchell reminds students who expect to graduate at the end of fall, winter, or spring quarter to contact their advisors to be sure that they have the proper credits and requirements.

Dr. McConnell's 1936 Message Applicable Today

(Editors note: This message was originally written October 27, 1936 by Dr. Robert E. McConnell. He felt that it was as much applicable today as it was at that time and gave the Campus Crier permission to reprint it at this time.)

A very good friend of mine suggested that I make recommendations to students concerning what to do to be successful in college. Therefore, when the editor of the Campus Crier approached me for a message, I decided to make a few suggestions. I imagined myself as a college student once again, and I put down a list of things that I would do. Here are my ideas:

1. I would be friendly and widen my acquaintances.
2. I would arrive at work on time.
3. I would do my work without delay. This plan would demand less energy and would allow leisure time for recreation or reading.
4. I would show myself superior in self-control to those who may be disagreeable or ill-mannered.
5. I would deliberately go out of my way now and then to do a favor to someone.
6. I would be especially careful not to hurt the feelings of those students who have very little money.
7. I would conduct myself properly at public functions.
8. I would avoid idle gossip and cruel criticism of others.
9. I would avoid slangy talk with superiors.
10. I would take advantage of every opportunity to meet and become acquainted with members of the faculty.
11. I would write to my parents once a week to relate my experiences and to show my gratitude for past favors and present opportunities.
12. I would improve my socializing ability by practicing on conversation and by learning to dance or swim or to play golf or tennis or some other sociable activity.

Robert E. McConnell

College Committee Offers Plan To Clear Up Traffic

October 15 Deadline Set For Permits:
Applications Received By Registrar

In an effort to clear up the confused parking and traffic problem in the Administration building parking lot, S.G.A. representatives, College administrators, and Faculty Council members are asking student and staff members to cooperate in a plan drawn up by them during summer quarter, Dr. Klingbeil, committee chairman, announced.

All off-campus students and staff members who must drive to school are being asked to fill out a "Declaration of Driving Necessity" at the Registrar's Office before Oct. 15. After this date the lot will be closed to all but authorized student and staff vehicles.

Spanish 100 will be offered fall quarter, third period Tuesday and Thursday in A-403 for two credits. French 100 has been dropped.

Eligibility to park in the Administration building parking lot will be based upon action taken on these "Declarations" by a joint faculty-student parking committee. Stickers to be attached to the rear car window will identify all those permitted entry to the lot.

A list of all students and staff members eligible to receive stickers will be posted on the Administration building bulletin board. Stickers may be obtained from the Business Office as soon as action can be taken on the "Declarations" and an eligibility list posted.

Spaces in the parking lot painted with a large "S" are reserved to staff members. Spaces painted with a large "V" are reserved for visitors and are not to be used by staff or students. All other spaces are reserved to students. In an effort to work out a fair allotment of space between students and staff, the number of spaces reserved to students bears to all eligible student cars.

Because the total number of students and staff members with stickers entitling them to entry to the parking lot will at all times exceed spaces available, the new system does not guarantee a parking space to anyone.

Students and staff members who must drive to school but nevertheless need not park in the Administration building parking lot are requested not to demand space by signing "Declarations." They are urged by the committee to park in the other spaces on or near the campus which are available without restriction.

Fines for illegal parking in the area are being decided upon by the committee and will be announced later. Service organizations on campus will be in charge of policing the lot.

Eastern Star Scholarship To Be Offered

E.B. Rogel, chairman of the Scholarships Committee, announced that the Eastern Star is offering a scholarship for \$150 to the Central student, man or woman, who satisfactorily qualifies for the award.

The scholarship is open to a sophomore, junior, or senior student. The students must have a 2.5 or above grade point average.

The candidate must be single and must have at least one parent connected with either the Eastern Star or a Masonic order in the State of Washington.

Applications for the award should be made in writing and turned in to the Scholarships Committee, Rogel said.

Positions Available In CWCE Concert Band

The concert band has several openings for woodwind instrument players, especially clarinet and saxophone players. Also needed for the band are double reed players, most notably someone to play the oboe, Bert Christianson, announced.

Christianson also said that if students do not have instruments, there are a few of these instruments owned by the college which will be available for use.

Members of the concert band of this fall quarter will be given first consideration for the picked or selected band which will be used on the tours to be given during winter and spring quarters.

Homecoming Committee Forms Plans

Plans for the 1951 Homecoming celebration are being rapidly formulated by the Homecoming committee, according to Marilyn Dreher and Bill Case, co-chairmen of the committee.

The celebration will be held November 8, 9 and 10, with the climax coming on Saturday with the game against Western. The class of 1941 will be the honored class.

The overall theme for Homecoming will be song titles, as well as the old standbys, "Beat Western" and "Welcome Grads." These themes will be carried throughout the skits, signs, and floats. The skit elimination will take place on November 1, one week before final presentation.

Some new innovations are going to be tried in the way of sophomore-fresh competition. A pushball contest between the two classes will be held at the halftime of the game, with the winners dictating the time when the frosh may remove their beanies.

The frosh, as usual, will collect, build, and light the bonfire Friday, but the honor of lighting it will not be dependent upon the outcome of the competition.

Nominations for queen candidates will be made this week by the I.Ks.

CUB Scene Of Bull Sessions

Nine campus clubs were represented at the Bull Session Tuesday, October 2, at 7 p.m. in the Union Building for the purpose of acquainting the student body with their various activities.

Those present were Associated Women Students, Newman Club, Intercollegiate Knights, Women's Recreation Association, Pep Club, Maskers and Jesters, Hyakem, Radio Club, and Spurs.

Most of these clubs are self explanatory but if the meaning isn't clear, their function can be found in the Student Handbook or from any member.

To join an organization such as these listed here, students should leave their names with the representative, learn when and where the initial meeting will take place, and if still interested, attend the meeting and join the club officially.

An Open Letter . . .

With the first issue of the Crier, I want to get off on the right foot by welcoming you all to Central. To the new students and staff members on campus, I just want to say "Glad you're here." To all the old gang, "Glad you're back."

Since all this stuff has been said over and over, I suppose you have already guessed that this little message has an ulterior motive.

Well, the motive is really very plain and simple. I want to tell everyone that the Crier is an all-college newspaper. By all-college, I mean not only the students but all of the staff members on the Sweezy campus. The staff members of the Crier will welcome any news, comments, criticisms, or help that comes our way.

We want to extend a sincere invitation to have you all participate in the publication of the Crier. If you have any inclination toward newspaper work—reporting, head writing, feature writing, or photography—just give us the word. But, probably one of the most important things you can do for the Crier is to turn in any news that you would like to see in print.

Lines--Plague Of The Freshman

by Karlene Matthiesen

Lines, lines and more lines. What a familiar phrase for all freshman. First the line for fees, which made a large hole in our pockets, and then lines for everything from examinations to meals. This is the life of a frosh during Orientation Week.

Another very short line was the one for Beanies. Can't understand what would cause that, can you?

At least they will keep our heads warm until Homecoming on November 10.

Friendliness is really a huge factor on this campus. Already there have been dances, teas, and classes to get everyone acquainted. "Hello" Walk is also an excellent chance to say "hello" even though you haven't met everyone. Keep it up kids-- make this a friendly place

Committee Sets Fund Regulations

Dr. Lyman Partridge, chairman of the Student Benefit Funds Committee, announced that students making applications for student loans must abide by the following regulations which were set up by the committee.

The regulations are:

1. A week's time is usually required to approve a loan. The student may or may not be asked to appear before the Student Loan Committee.
2. One hundred dollars is the maximum loan.
3. Interest on loans is 3%.
4. Students under legal age must have a co-signer.
5. Loans of over \$15.00 must have a co-signer.
6. No loan shall be made for more than one year.
7. \$15.00 loans or less must be repaid within the quarter they are made.
8. Loans are not available to students attending CWCE for their first quarter.
9. The Registrar will not release grades or transcripts for students having unpaid notes or accounts.
10. A loan will not be made to a student who owes money to the school.

Mexican Grants Available Now

Nineteen fellowships for study in Mexico during the academic year beginning February 1952 are now open to U. S. graduate and undergraduate students. Applications for these grants should be made immediately to the Institute of International Education, 2 West 45th Street, New York.

The grants, which cover tuition plus a monthly living allowance, are offered by the Mexican Government through the Mexican-United States Commission on Cultural Cooperation.

The fields in which awards are available are undergraduate—physical anthropology, archeology, ethnology, Mexican history, architecture, philosophy and letters; graduate—physical anthropology, archeology, ethnology, Mexican history, museography, painting, biological sciences, pediatrics, tropical medicine, and cardiology.

Eligibility requirements include U. S. citizenship, knowledge of Spanish, good academic record, good health, and knowledge of the culture of the U. S.

Encouraging applications from interested students, Kenneth Holland, president of the institute, said that the fellowships are offered as a gesture of good-will to the U. S. from Mexico.

Applications, on forms to be secured from the U. S. Student program of the Institute of International Education must be filed with all supporting documents, not later than October 15, 1951.

Vacancies Open In Organized NAR

About 90 vacancies exist for enlisted personnel in the organized naval air reserve at the naval air station at Geiger field, Spokane, Captain J. A. Peterson, Naval Air Station officer announced.

Twenty-seven of these vacancies are in a drill pay status while the remainder are non-pay. The naval air reserve program is open to veterans and non-veterans between 17 and 39 years of age. However, only men of draft age who have been classified either 3-A or 4-A are eligible to enlist.

Young men who are members of the Organized Reserve are normally deferred from the draft, providing that they attend meetings regularly, according to Captain Peterson.

The openings are in various aviation ratings and non-rated positions in squadrons Wing Staff 90, FASRON 901, VF-901 and VA-901. The Organized Naval Air Reservists, known throughout the country as "Weekend Warriors", meet at Geiger field one weekend a month. During this period, old and new hands are taught the latest developments and techniques in Naval aviation, Captain Peterson said.

The station's organized reserve personnel section is open for recruiting purposes between 8 a.m. and 4:30 p.m. seven days a week, he said.

IT'S EASIER THAN EVER!

Students! Make money writing Lucky Strike jingles!

MORE FUN, TOO!

No tricks! No gimmicks! Takes no time—no special talent! You can make \$25.

Just write a simple four-line jingle based on the fact that

LUCKIES TASTE BETTER THAN ANY OTHER CIGARETTE!

(or other qualities of Luckies such as those listed below.)

Write a Lucky Strike jingle, like those you see on this page, based on the fact that Luckies taste better than any other cigarette, or other qualities of Luckies such as those listed below. If your jingle is selected for possible use in Lucky Strike advertising, we will pay you \$25 for the right to use it and your name in our advertising. Lucky Strike jingles will soon be running in your paper. Start today—send in as many jingles as you like. Be the first to write a jingle in your school!

Before each class—and after too,
I do just what I like—
Relax—enjoy the better taste
of good ol' Lucky Strike!

Just made a great discovery
which I announce with haste:
Folks go for Lucky Strike because
they like that better taste!

READ THESE SIMPLE INSTRUCTIONS

1. Write your Lucky Strike four-line jingle on a plain piece of paper or postcard and send it to Happy-Go-Lucky, P. O. Box 67, New York 46, N. Y. Be sure that your name, address, college and class are included—and that they are legible.
2. Base your jingle on the fact that Luckies taste better than any other cigarette—or on any of the alternate themes below.
3. Every student of any college, university or post-graduate school may submit jingles.

IMPORTANT:

To make money writing jingles, it is not essential to base your jingle on "Luckies taste better than any other cigarette." You may base a jingle on other outstanding qualities of Luckies such as the following:

L.S./M.F.T.
Lucky Strike Means Fine Tobacco
Be Happy—Go Lucky!
So round, so firm, so fully packed
So free and easy on the draw
Buy Luckies by the carton
Luckies give you deep-down smoking enjoyment
Luckies are the world's best-made cigarette.

COPR., THE AMERICAN TOBACCO COMPANY

L.S./M.F.T.-Lucky Strike Means Fine Tobacco

CPS Mauls Cats 20-6 In Conference Opener

Bob Hubbard (white jersey), Central center, brought down Dick Colombini (41), CPS star right halfback, after a short gain in the CWC-CPS game last Saturday, which CPS won 20-6.

BY BOB SULLIVAN

The College of Puget Sound Loggers, smarting from two previous Central upsets in two years, gained full vengeance last Saturday afternoon with a convincing 20-6 win over the CWC Cats at the Rodeo arena.

In a game played under grey overcast skies that were more threatening than either team, Coach John Heinrich's hard running backs and fast charging line grabbed an early 6-0 lead and went on from there via the air and ground for two more tallies.

It took the Loggers just 18 plays to hit the tally turf with halfback Wally Erwin punching it over from the one foot line. The kick by Colombini was wide for the try for point.

Exactly 18 plays later, freshman John Cavallini engineered two fine aerial tosses and handed off to Miller for three nice line plunges to set up the only Cat score. With the heretofore lethargic Cat supporters screaming for blood, Powerhouse Bob Propst crashed over from the one foot line. The Cats try for point failed on an attempted line plunge by Propst.

Although Clipper Carmody's big line had trouble with the Logger

backs stomping through them at times, the Cats showed flashes of fine defensive play and an impressive array of plunging backs sparked by the able arm of Johnny Cavallini.

Without a doubt the biggest feather in the Cat's war bonnet was the play of the backfield. Cavallini was outstanding in hitting his receivers with radar precision. The Cle Elum sharpie brought the crowd out of the doldrums late in the third quarter when he ran the ball himself for a nice gain after apparently being trapped on an attempted pass play.

Propst, Benville, Hashman and Hill also looked impressive with yearling Louis Benville churning through the tough Logger line in the second half like the Denver express.

A trio of Logger backs led by letterman Art Viafore's passing piled up plenty of yardage in the latter stages of the contest with Viafore hitting Fabulich for a 60-yard TD play for one score. Sandy de Carteret came in for Viafore when the slim Logger star left the field injured. De Carteret filled in quite capably, however, setting up the final TD gallop by Tone from the 15 with a sharp aerial thrust.

Wildcats Drop Game To P.U. Badgers 20-0

The Pacific U. Badgers were seeking revenge after an 8-0 loss to the Western Vikings, and found the Central Wildcats just the team that would suffer, but not before they had put up a terrific fight. The Badgers poured it on and cooled the Cats 20-0.

No score was made in the first period, but in the third period after an unnecessary roughness penalty was called against Central, Lukoszy scored from the yard line. Buckiewicz converted to give Pacific a 7-0 lead. Pacific scored again in the same period on a 10 yard pass from Buckiewicz to Frizzell.

Lewie Benville broke away and crossed the goal line once during the evening only to be called back and be penalized as a Wildcat was called for holding and clipping.

Pacific scored again in the last period on an intercepted pass thrown by John Cavallini, ace freshmen quarterback of the Central squad. Frizzell intercepted and went 70 yards with the ball to pay dirt. Buckiewicz again converted to end the game at 20-0.

Campus Crier

Richard's Ramblings

BY DICK ALM

Maybe it's a good thing that the Wildcats have an open weekend coming up. That means an extra week of drills on pass defense and blocking assignments before they go up against Pacific Lutheran on October 13. It seemed to be poor pass defenses on the Cats' part that netted CPS its touchdowns last Saturday, and poor blocking in the line that kept Central's running attack bogged down. The pass defense is going to have to improve if Clipper's Cats are going to win any games this fall. From the array of talent available in the backfield -- Propst, Lea, Cavallini, Benville, Hashman, Hill, Rundle, etc. -- and the bruisers in the line -- Kier, Repenshek, Hibbard, Johnson, Armstrong, etc. -- the Wildcats ought to be able to give any team in the conference a good battle, but they're going to have to get together to do it.

POME (ala Brougham) -- The Cats got power, the Cats got speed, but where the heck are the points they need?

There is going to be a new champion in the Evergreen conference this year, for the first time since its conception in 1948. Yes, the mighty Eastern Savages are riding for a fall. Last Saturday night the Vikings of Western walloped them 59 (yes, fifty-nine) to 0, but their victory did not count in the conference standings. They play for blood on October 27 in Cheney. Eastern Coach Poffenroth said, before the season started, that his team wouldn't win, and, by golly, he wasn't lying. The Savages lost their opener to little Linfield 27-7 and then squeaked by mediocre Montana State 21-14.

In the only other conference game, Pacific Lutheran edged out Whitworth's Pirates 13-6 with a touchdown in the last two minutes of play.

Campus Interviews on Cigarette Tests

No. 22...THE WOODPECKER

Woodrow almost bit off more than he could chew when he tackled the cigarette tests! But he pecked away 'til he smoked out the truth: Such an important item as *mildness* can't be tossed off in a fleeting second! A "swift sniff" or a "perfunctory puff" proves practically nothing! He, like millions of smokers, found *one* test that doesn't leave you up a tree.

It's the sensible test... the 30-Day Camel Mildness Test, which simply asks you to try Camels as your steady smoke -- on a day-after-day basis. No snap judgments! Once you've enjoyed Camels for 30 days in your "T-Zone" (T for Throat, T for Taste), you'll see why...

After all the Mildness tests...

Camel leads all other brands by billions

WRA Season Starts Today

The Women's Recreation Association will start the year's activities Thursday, October 4, 6:45 p.m. with practice sessions for volleyball in the men's gym.

Through the year, the girls will take over the gym every Monday and Thursday for practices and tournaments.

Ann Vowles, president of W.R.A., reported that freshmen turning out will have late leave until 8 o'clock. All girls should come ready to play by bringing shorts, tennis shoes, and blouses.

Marcia Laughon is Sports Manager for the year.

Recreation Announced

The Ellensburg YMCA has announced that they have a recreation program which is open to all Central Washington College students.

The YMCA facilities include swimming pool; equipped gym with parallel bars, side horse, trampoline, horizontal bar, bar bells; ping-pong tables; meeting rooms; party rooms; and lounge.

Memberships for college students are \$3 per quarter. Memberships may be obtained by contacting the YMCA.

Majorettes Needed

The college band is now in the process of preparing tryouts for drum majorettes for the marching band which will perform during the half time of home football games, Bert Christianson, band director said.

Majorettes are not required to register for band to perform with the marching unit. Anyone interested should contact Christianson at 312 music building this week.

Talent File Available

It was announced today that all organizations interested in securing talent or committee members are welcome to look through the Talent File in the Dean of Women's Office.

This file states special interests, hobbies and abilities of many students on campus who are interested in committee work.

Office, Center For Activities

The student personnel office is the coordinating center for the direction of all student activities and affairs. The dean of men and the dean of women work under the general direction of the director of student personnel, Dr. Samuelson, coordinating and guiding student activities.

During the autumn quarter the personnel office will be busy setting up personal files; for example, information of test performance of the entering students is now being recorded and is available to students.

In late November and early December two and a half days will be set aside for counselling. Plans for activity are made in the Office of Student Personnel.

The office also engages in placing graduates in the teaching field and occupations.

Bull Sessions Feature Clubs

The next two bull sessions, with representatives from approximately ten clubs each night, will take place on Thursday, October 4 and Tuesday, October 9.

Changes In Address Should Be Reported

Former students are asked to check with the Dean's office if they have had any change of home address since first registering as freshman.

These records are used in mailing information to parents.

(cont. from page 1)

For the spring quarter, Science Education in the Elementary School, two credits, will be offered by Miss Bloomer from 7 p.m. to 9 p.m. on Tuesdays.

Further information may be secured at the office of the college Registrar.
